

Parent Leadership

Does your school have a CSPV parent representative?

CSPV promotes parent leadership in Catholic schools across Victoria. One of the opportunities for parents to connect with CSPV is to nominate a CSPV parent representative who works alongside the school prinicpal to share information, resources, invitations etc that we share with you. The parent representative also has access to a private Facebook group to interact with other parents. CSPV parent member delegate positions on the CSPV council are now available in Ballarat, Sale and Sandhurst diocese. Click on learn more for further information.
